**Subject:** [External] interruption of service

To whom it may concern:

This email is to inform the PSC that there is an interruption of service to more than 50 gas customers. This interruption happened at 11:30 am on 6/20/2019 near the address of 7805 St Andrews Rd. Service will be lost to 89 customers. The gas main was hit by a 3<sup>rd</sup> party contractor. We are currently working to isolate and repair the damage.

Please let me know if you have any additional questions.
